

Preserving America's Heritage

AGENDA

Public Meeting
Wednesday, December 19, 2019
Coupeville High School
Performing Arts Center
501 S. Main St, Coupeville, WA 98239

Purpose of Meeting: The Advisory Council on Historic Preservation (ACHP) is soliciting public input to assist in the preparation of its final comments regarding the potential effects to historic properties that would result from the proposed increase of aircraft, including the EA-18A Growler, and aircraft operations and development of support facilities at Naval Air Station Whidbey Island. In accordance with Section 106 of the National Historic Preservation Act, the Navy must take into account the potential effects of its proposed undertaking on historic properties. To conclude this review process, the Chairman of the ACHP will be providing advisory comments to the Secretary of the Navy, which the Secretary must consider in reaching a final decision on the undertaking. The ACHP is asking for the views of the public to inform the development of its comments. Specifically, the ACHP is asking for input on the potential effects of the proposed undertaking to historic properties and appropriate measures or conditions on this undertaking that would minimize or mitigate potential adverse effects to historic properties.
